### PRINCIPALS' REPORTS

#### FAREWELL YEAR 12'S

We turn our attention now to the reality of being in the final term, meaning end of year assessments and exams are very close. This is the time when students should be working at capacity to see them over the finish line, with results that reward them for their efforts. Of course, exams are closest for our Year 12 students who concluded their final classes on Wednesday and we wish them well as they prepare for their first exam in a matter of days. Congratulations to the "Graduating Class of 2017".

Regardless of whether today symbolizes your entry into the work force or future study, it says you are ready to move into the big wide world and begin to make your mark. Today is a day to celebrate the promise of the future and to follow in the footsteps of the thousands of men and women who previously made their journeys through this school. As you depart Terang College for the final time as a student, you join all those who have gone before you and you have a powerful reputation to uphold. Irrespective of which path you take in the future, in just a few weeks, you too, will be a graduate of Terang College, and with that title, comes both opportunity and responsibility. Your lives will present you with many challenges and countless choices. With your parent's guidance as a base and your Terang College education as a compass, you now have all you need to choose what is right. Terang College will always be a part of your life. Never forget what it stands for. Always strive to be a Terang College person, a person of good character and integrity. We will watch what you do with your lives. We will watch what you do with your talents. Continue to make us proud whatever you do, and always know you are welcome to return to your College and to remain part of the Terang College family. To the class of 2017, congratulations and good luck, we wish you all the very best for your future endeavors.

Wednesday 25<sup>th</sup> October is the last formal day of classes for our Year 12 students. On Thursday 26<sup>th</sup> October, the Year 12's will celebrate an end of era with a final assembly, followed by a morning tea for Year 12 parents and students.

Congratulations to our Year 12 students on your efforts so far and best wishes for your study period prior to the English exam on Wednesday 1<sup>st</sup> November.

#### CLASS PLANNING 2018

The Year Level teams will shortly begin preparing Homeroom and class lists for 2018. For some students this can create a level of anxiety; however, it is important to understand that we are dealing with a number of variables that influence the makeup of Homeroom and Class lists. Such variables include elective choices, students with individual learning plans, teacher observation and feedback and classroom dynamics. As students move up the school we also encourage our students to work with other students and become less reliant on being with their friends, and as such build resilience to become independent learners.

If you have any concerns about your child, then you need to confer with the current Year Level Coordinator so we can keep your concerns on record. By doing this we can address these concerns before class lists are published, because after publication, changes become very difficult to accommodate.

### **AUCTION SUCCESS**

Last Friday night Terang College held a wonderful and successful Goods and Services Auction, raising over \$17500. Approximately one hundred people bought the goods and services that were kindly donated by various businesses around the district. The variety of decorations in the hall included samples from local producers and our own Stephanie Alexander garden. Our guests were also entertained by the 'food based' activities that were organised by Ashleigh Hunger throughout the evening. The theme for the night was 'Master Chef' and many of the guests were delighted by the culinary delights on offer.

Congratulations to the Eldridge family who won the \$1200 major prize in a very exciting 'bake off' and a big thank you must go to Tim Healey who kindly donated his time as the auctioneer.

A huge thanks must go to the Auction committee, which consisted of Joy Wilkinson, Ange Gee, Caroline Smith, Josie Logan, Tammy Logan, Cat Carroll and Wendy Chesshire. These women spent a great deal of time sourcing and organising the items for the auction.

Thanks must also go to Vicky Whiting, Narelle Holliday, Josie and Tammy Logan, Joy Wilkinson, Caroline Smith and Katie Stuart who helped set up and decorate the hall. It looked amazing!

Liam Geary was the MC for the night and Ashleigh Hunger and Georgina Hall organised a number of very funny 'food' games that entertained us all. To Harrison Smith, a very big thank you for organising the PA system on the night. To all of the Year 9/10 students who helped out during the week making slices and taking part in general cleaning duties and to the Energy Break Through students who helped with the catering on the night; we say thank you.

Lastly, we would like to say thank you to our corporate table who has paid big \$ to have their every needs catered for and to all those people who attended on the night, and helped to raise funds for the College.

### **CONGRATULATIONS ERICA AND PAUL ALLEY**

Erica (Hinchcliff) and Paul welcomed Ivy Patricia Allely into the world on Monday 23<sup>rd</sup> October at 3:20pm. Ivy is 48cms long and weighed 2.7kg. Everyone is well!

### **CORANGAMITE YOUTH AWARDS**

A number of Terang College students were nominated for Youth Awards at the annual Corangamite Shire Youth Awards on Friday 13<sup>th</sup> October.

Our students were supported by a large contingent of parents, grandparents and friends. Congratulations to all the students who were nominated. A special congratulations must go to the Clay Target Team who were the lucky winners of the Sports Team award.

The team comprised of Fergus Lock, Sophie Molan, Dylan Rowe, Matt Molan and Max Fahey. They competed in the State Finals in Echuca last term. Although the team were not State Finalists in 2017, they represented Terang College and the Corangamite Shire at this level. Well done! Other students nominated for awards were Jorja Cook – Community Services, Matt Molan, Ingrid Cavarsan and Maddison Chesshire – Individual sports awards.

### **FATHERS IN THE FOOD ROOM**

Last Wednesday the year 5 and 6 students hosted 15 dads and friends for dinner and gardening activities in the food room and in the garden. The students and their guests planted tomatoes, lettuces, chillies, pumpkins and capsicums in the garden as well as completing some maintenance tasks before sharing a BBQ and dessert. The weather on Wednesday was extremely hot for this time of year and this limited some of the tasks planned for the night. However, all of our students had a great time showing their guests

around the garden. Debbie, Mrs Packett and Mrs Holliday would like to thank all the guests that came to the event and helped to make it so successful.

## GENERAL INFORMATION

### STAFF ADMINISTERING MEDICATION AT THE COLLEGE

College Policy advises staff are not able to administer medication to students without written authorisation from parents.

We currently require a form to be completed and returned to the College with the medication to be administered advising of times, dosage, etc.

We ask parents to obtain a copy of the document '**Authority for Staff to Dispense Medication during School Hours**' from either College Office.

Without this form we will no longer be able to administer medication(s) to your child.

## MUSIC NEWS

### MUSIC COUNT US IN 2017

The annual Music Count Us In Celebration Day is coming up on Thursday, 2 November at 12.30pm and our instrumental music students have been learning to play their parts for the 2017 Music Count Us In song called 'Shine Together'. To assist in their learning and to make it more fun, students can play along with a backing track, with their parents' permission, at [www.youtube.com/watch?v=musiccountusinshinetogether](http://www.youtube.com/watch?v=musiccountusinshinetogether).

'Shine Together' was written last April by five Australian secondary students who won the 2017 MCUI song writing competition.

Music: Count Us In is Australia's single biggest schools initiative, where over half a million students across the country will sing the same song, on the same day, at the same time.

Finally it sets the foundation skills around work readiness to be built on in later years.

'Prepare' will take place on Tuesday November 21. Students will need to bring their morning tea and lunch to school on this day and they will be having different breaks to the normal bell times.

'Prepare' will be facilitated by trained staff from the Beacon Foundation – a not for profit organisation which was established to improve outcomes for all young people.

3. Relax before bed. For example, have a bath, read, listen to music. Have a "wind down time" before going to bed
4. Regular exercise during the day may help you sleep better at night
5. Try and keep your bedroom dark, pull down blinds and curtains, avoid artificial light
6. Eating a balanced nutritious diet can help you sleep, also avoid overeating, and conversely, avoid going to bed hungry

7. Turn off mobile phones, computers, video/web games and bright screens for at least one hour before bed
