PURPOSE

To explain to our school community the Department's and Terang College's policy requirements and expectations relating to students using mobile phones during school hours.

SCOPE

This policy applies to:

1. All students at Terang College
2. Personal mobile phones brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Terang College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Terang College:

- Students who choose to bring a mobile phone to school must have them switched off and securely stored in their bag or locker during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office; 55921349.

Personal mobile phone use

In accordance with the Department's Mobile Phones — Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Terang College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Terang College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk.

Where students bring a mobile phone to school, Terang College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Terang College students can store their phone at the general office or alternatively their locker or bag.

Enforcement

Students who use their personal mobile phones inappropriately at Terang College may be issued with consequences consistent with our school's existing Student Engagement and Digital Technology policies.

At Terang College inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone, but not limited to;

- In any way that disrupts the learning of others.
- To send inappropriate, harassing or threatening messages or phone calls.
